MAGNIFICENT INQUIRY
The report of the inquiry into the case of the woman who was found dead in the street, is a most interesting and valuable one. It shows that the woman was a victim of a most cruel and barbarous system of slavery, and that the authorities were completely ignorant of her existence.

STILL NEWS.
The news from the front is still very quiet. The army has been ordered to remain in its position, and no further advances are expected. The weather is very cold, and the ground is covered with snow.
